QUIEBRAVISTAS

Soluciones Decorativas

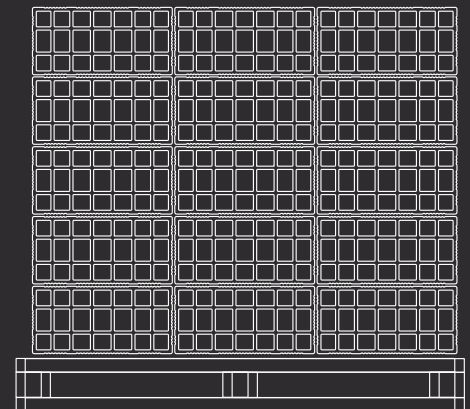

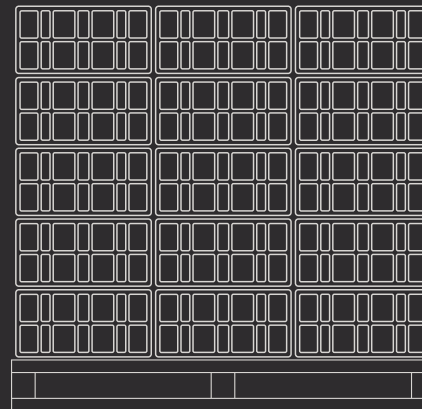

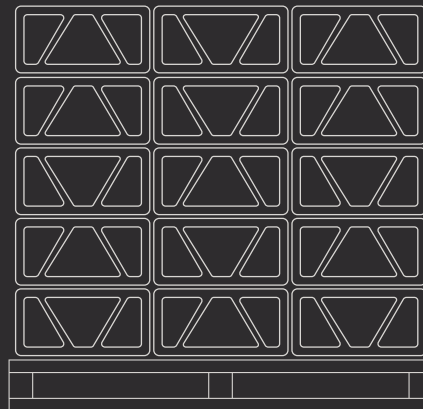

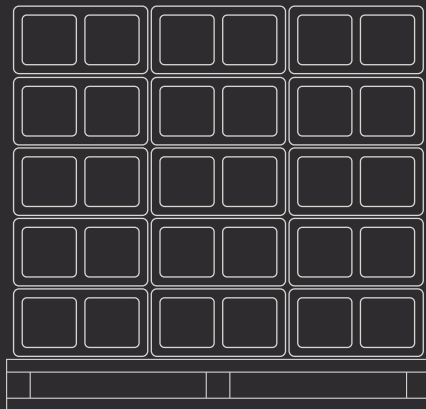

Soluciones Quiebravistas

Diseñados para aportar **textura y carácter** tanto en espacios interiores y exteriores.

Permite construir **innovadores proyectos** tales como: logias de edificios, muros decorativos, estacionamientos y cercos divisorios.

Elegante apariencia **estética.**

The background of the image is a close-up photograph of dry, cracked brown soil. The cracks are irregular and form a network across the surface, with some deeper fissures visible. The color is a rich, earthy brown.

100% Sustentable

Los **Quiebravistas Cerámica Santiago** son ladrillos decorativos no estructurales, diseñados para **aportar textura y carácter** tanto en espacios interiores y exteriores. Su variedad de formatos y terminaciones los convierte en **elementos arquitectónicos versátiles**, que también contribuyen a la reducción de temperaturas al funcionar como pantallas solares.
